Day 2 Transfer to Passo di Resia and ride to Silandro

50 km

Your **bike tour Lake Garda Dolomites** begins with a one-hour transfer to Passo Resia. Then start cycling, coasting along **Lake Resia** past the famous submerged tower rising from the water. Follow a panoramic bike path through alpine meadows and pause in charming villages like **Burgusio** and **Clusio**. By lunchtime you reach the impressive fortified town of **Glorenza**. Afterwards, continue on a quiet cycle path through endless orchards along the River Adige, stopping in Lasa to visit the marble museum before finishing with a short stretch back to Silandro.

Challenge: 50 km, 350m ascent, 1300m descent

Day 3 Ride from Silandro to Merano

38 km

Pedal down **Venosta Valley** among snow-capped peaks and vast pine forests. Stop to savour a cappuccino in lively **Naturno** and blend into local life. Take the bike path into a narrow gorge, then burst out into a broad glacial valley. Sail onward to **Merano**, the centuries-old spa town where Princess Sissi convalesced in a unique microclimate. Next, while away the afternoon hours on foot and happen upon hidden corners in this magical place.

Challenge: 38 km, 150m ascent, 470m descent

Day 4 **Ride from Merano to Caldaro via Bolzano**

Challenge: 53 km, 295m ascent, 325m descent

Day 6 **Ride from Trento to Riva del Garda**

Pause for a scenic lunch beneath the imposing rock faces of Monte Brento and Monte Casale.
